Somaiya Vidyavihar University - At a Glance

Somaiya Vidyavihar University, with over eight decades of rich experience in managing educational institutions and imparting quality education offers numerous opportunities and multidisciplinary programmes to students worldwide.

The university is located in the heart of Mumbai and nestled in a vast 50-acre green campus. It caters to 39,000+ students in diverse fields of education such as Design, Engineering, Art & Humanities, Science & Technology, Commerce & Business Studies, Library & Information Science, Management, Religion & Culture, Sports, and Music. Established in 2019, Somaiya Vidyavihar University, Mumbai, is a self-financed, private university recognised by the University Grants Commission (UGC).

K J Somaiya College of Engineering

K J Somaiya College of Engineering is a leading engineering institute of Somaiya Vidyavihar University in Mumbai. Since its establishment in 1983, it has been deeply committed to excellence in education and the overall development of students. It strives to create an environment to master the fundamentals, create, and apply knowledge and also encourages students to discover new solutions through a multidisciplinary approach. Thus, preparing them to be dynamic and multifaceted engineers ready for various challenges.

Our Distinguishing Features

1st-year Classroom Teaching

2nd-year Full-time Project-based Learning in Industry

₹ 50,000/- Fees Per Year

Wide Choices for Programme Electives and Open Electives

Inclusive Education and Differentiated Teaching, Learning and Evaluation Based on Learning Needs

Wide Array of Internship and Placement Opportunities

Well-equipped Laboratories and Computing Resources

Flexible Class Timings

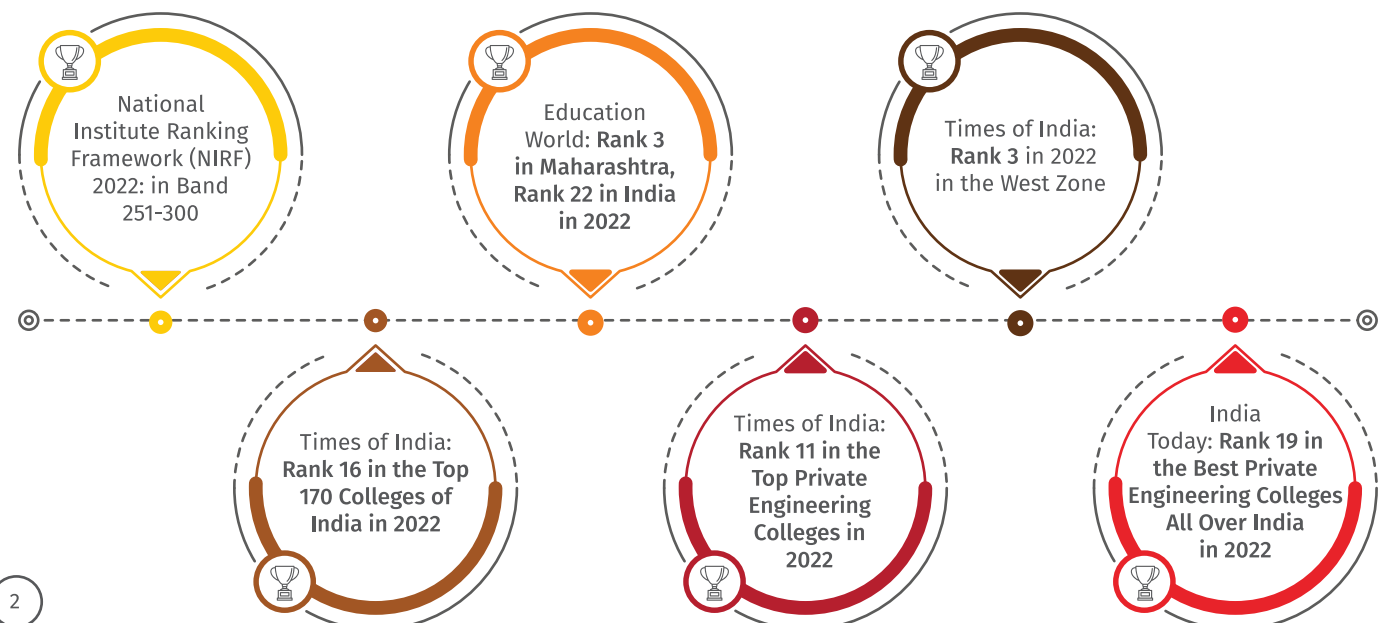

Options to Pursue Integrated MTech - PhD

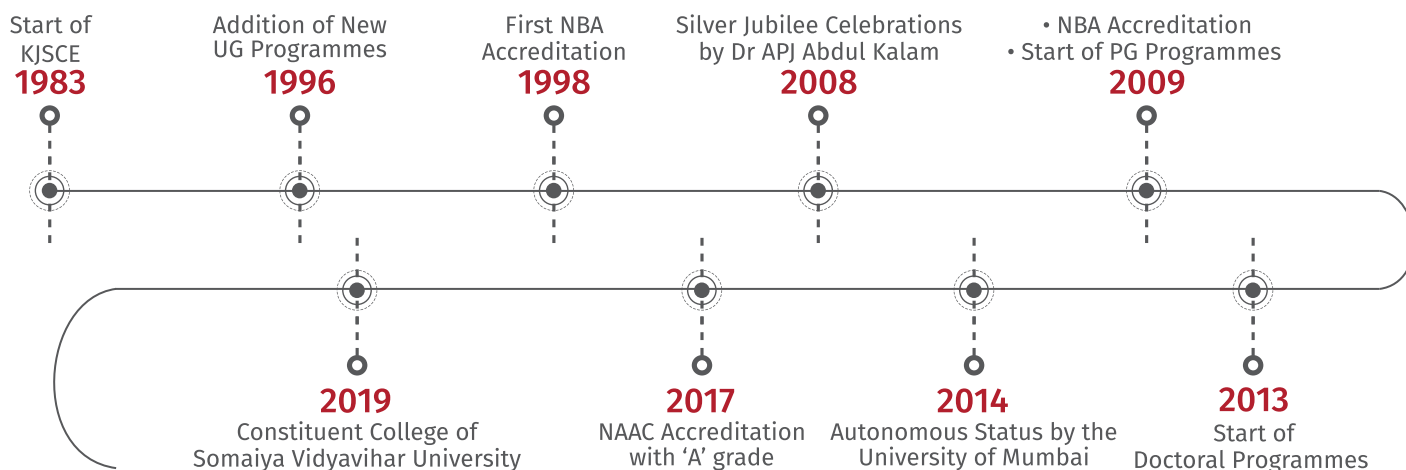

Financial Aid & Scholarships Available for Students

K J Somaiya College of Engineering has been ranked

Milestones

Programme Structure

MTEch	Duration	Fees Per Year	Eligibility Criteria
Computer Engineering / Electronics Engineering / Electronics & Telecommunication Engineering / Information Technology (Specialisation in Information Security) / Mechanical Engineering (Specialisation in CAD / CAM & Robotics) / Interdisciplinary Programme in Energy Engineering / Artificial Intelligence & Data Science / Robotics & Automation Engineering	2 Years	₹ 50,000/-	<ul style="list-style-type: none"> Must have a specific Bachelor's degree for applying to a specific Master's degree course from the recognised University Obtained a non-zero positive score in GATE 2023/2022/2021 or a positive score in appropriate PERA-CET 2023 or CUET 2023 for MTEch

Note: The programmes & residential fees are subject to change from time to time. To know more, visit our website <https://kjsce.somaiya.edu/en>

Certificate Programme	Duration	Fees	Eligibility Criteria
Mechatronics / Data Science / Industrial Automation and Robotics / Cyber Security / RF and Antenna	6 Months	₹ 40,000/- to ₹ 60,000/-	<ul style="list-style-type: none"> For more details about eligibility criteria, application form fee, and fees for various programmes, please visit our website: https://kjsce.somaiya.edu/en

Admission Process

Selection Criteria

MTEch Admissions will be based on GATE 2023/2022/2021, PERA-CET 2023 or CUET 2023 merit, preference, and availability of seats taken together. The candidate will be communicated via email about her / his seat offered.

Application Process

The application form fee is ₹ 1,000/- (Non-refundable)

A candidate can apply for any one or more than one programme (including all the phases) in the same application form by selecting appropriate options using a tick mark

She / He is required to fill in the relevant information for a particular examination and upload the requisite documents. However, before selecting an option, eligibility for the respective phase needs to be ensured

To apply online, visit <https://kjsce.somaiya.edu/en>

Modern Well-equipped Laboratory

The laboratories at K J Somaiya College of Engineering provide a modern workspace for all faculty and students of MTech. A variety of hardware and software, including various laboratory resources, permits students to get industry-based exposure in the form of various technical competitions. The laboratories for MTech programmes have space for student instruction, providing ample opportunity for students to gain first-hand training essential to become a future-ready engineers.
