### About PUSH

People **U**nited for **S**tudent's **H**elp is the Social Initiative of KJ Somaiya College of Engineering, formed with the motive to extend a helping hand to those needy students who are not in a position to pursue their education at KJSCE. We have helped change the lives of 120+ students by providing aid of over 60 lakhs.

With an aim of raising funds in support of needy students, some employees of KJSCE came together to establish an organization, "PUSH" (People United for Students' Help). Funds are collected annually from employees, students, alumni and well-wishers. A holistic review of the economic background of his / her family enables extension of monetary support to a student demonstrating financial need.
