Interim Placements Report – Batch 2021-22(As on 19<sup>th</sup> Dec. 2022)

The Institute has a transparent placement policy in place, which is designed to fulfil the aspirations of the students and serve the requirements of the recruiter. We strive to meet the expectations of a wide range of organizations and uniquely talented students. The details of our previous placements can be found on our website.

Our placement process has been receiving consistent support from our regular recruiters, who we are grateful to for their faith in our Institute's professional value system. We also extend a warm welcome to our new recruiters who will visit us this season for recruitment.

At the outset of the new academic year 2021-22, we would like to invite all our regular and potential recruiters to take part in our forthcoming placement season and experience interacting with and recruiting the brilliant minds of KJSCE.
